*Publishing Solutions*

### **Do you need help attracting clients?**

Creating your 'brand' is the most important way to achieve recognition in the market no matter what size or type the business. So, whether you are creating new promotional material or updating your image, we can help you with logo design, photography, business cards, brochures, flyers, newsletters and stationery.

### **Have you just written a novel, or would you like to produce a family history?**

We can help you with your self-publishing project by giving you advice about your manuscript and helping you to develop it.

Editor and award winning writer **Blaise van Hecke** and illustrator/photographer **Kev Howlett**, together with other talented writers and artists, make *Busybird* the creative team of your choice.

Please feel free to give us a call to discuss your needs. No job is too big or small, no question too silly.

*'I've worked with the members of the Busybird team. They're creative, meticulous and utterly reliable. Their editors have a fine eye for detail, and their design team knows how to deliver high quality, eye-catching designs.'*

**Karin Steinkrug**

Publisher, NMIT Flat Chat Press  
22 years publishing experience

*'Busybird is a highly creative team. Perhaps their greatest strengths are their enthusiastic commitment to the projects they undertake, and the fact that they always meet the deadline, no matter how tight it might be. I highly recommend them.'*

**Barry Carozzi**

Writer, lecturer in Professional Writing

*'In this fast paced world, it's great to find people who have a creative, personal approach to their work. Busybird is the ideal choice for my promotional projects.'*
